ESSENTIAL TREATMENTS

# TREATMENT MENU

Our extensive Treatment Menu is designed to provide for every hair type's need, by addressing the 'Four Natural Balances'™. Protein, Moisture, Natural Oils and pH Balance. The key's to beautiful healthy hair!

We use De Lorenzo Essential Treatments, a luxurious range of specialised treatment products that revitalise, repair, hydrate and strengthen. They are derived from organic plant oils and pure botanical extracts and are enriched with Vitamin C, Essential Fatty Acids, Omega 3 and 6, UV protectants and colour stabilising extracts.

De Lorenzo products do not contain parabens or petrochemicals, are not tested on animals and are Vegan certified.

**Soften** **Time:** | \$  
The ultimate treatment for soft, lustrous hair! A pre-shampoo treatment is applied to protect your mid-lengths and ends to replace the hairs natural oils and processed under gentle heat. The hair is then thoroughly cleansed before being balanced and strengthened with botanically based **Protein Complex Equilibrium**, a deep conditioning masque, is massaged into the hair and scalp to complete this luxurious treatment service.

**Energise** **Time:** | \$  
Our Energise treatment reverses the effects of environment, pollution and product build-up. First, the hair is protected by replacing the natural oils on the mid-lengths and ends. **Absolute** deep cleansing treatment is applied to purify the hair. The treatment is completed with **Instant Restructrant** to leave the hair refreshed, cleansed and balanced.

**Blissful Body** **Time:** | \$  
The perfect treatment for fine hair to create volume and body. The hair is gently cleansed before a body building and strengthening **Protein Complex** is applied to the root area and processed under gentle heat. **Instant Restructrant** treatment is applied for weightless conditioning. Volume spray is applied for styling.

**Maintain** **Time:** | \$  
A quick and effective treatment to improve condition and replace lost moisture. After your hair is cleansed with our botanically-based **Prescriptive Solutions** shampoo, an **Equilibrium** deep conditioning masque is massaged into the hair and scalp and activated under gentle heat. **Moisture Repair** is applied to seal the cuticle, leaving beautifully nourished hair.

Your Stylist is happy to recommend the appropriate De Lorenzo home hair care to maintain beautiful, healthy hair in between salon visits.
